## SCHOOL SUPPLY LIST

Bakerview Centre for Learning does not have a required list of supplies like middle or elementary schools. Students are asked to come to school with a binder, paper, pens, and pencils. As students meet their teachers, they will be told if they need anything special in the way of supplies for that class.

## BYOD (Bring Your Own Device)

Students with their own laptop can bring them to school to use as a learning resource. We will have required paperwork to complete at intake that will register your device for use via district Wi-Fi. If you do not have access to a laptop, we have WinBooks available for classroom use.

## CELL PHONE POLICY

In order to follow the BC Provincial Government's legislation and to increase focus on learning, students will be required to follow BCL's Cell Phone Policy which will be shared with you at intake time. Phones will be put away (in a location selected by the classroom teacher) during instructional time. Phones may be used at the end of the day or at lunch time only. If you need to get a hold of your child, please text or call the classroom phone and our staff will be happy to connect you to your child.

## RTI

Schoolwide RTI is a targeted literacy and numeracy intervention that takes place in class, during instructional time, twice per week for all students. Our goal is to foster a school culture that prioritizes and strengthens foundational skills in

reading, writing, and mathematics. These interventions are intended to support our students in succeeding in both their coursework and assessments.

### **SCHOOL FEES**

Bakerview Centre for Learning collects \$20 per year in student fees. This covers the cost of a student ID card, school-wide events, including leadership celebrations. Our graduation fee is \$50. CENTRE FOR LEARNING

Dear Parents/Guardians:

The Abbotsford School District is refining its emergency response plan to better prepare for significant catastrophes or disasters. A key component of this plan is the student reunification process, which allows parents to designate key adults who can pick up their child in case of an emergency. In a major emergency, such as a damaging earthquake, parents or guardians may be unable to reach the school to pick up their children due to potential obstacles like blocked roads or bridges. It is advisable that all parents or guardians authorize three additional adults to pick up their children, if necessary, during an emergency.

Please review the instructions on the reverse side of the Student Reunification form before completing it. If you have any questions, please don't hesitate to contact the school for assistance.

Return the form to the school by September 19<sup>th</sup>, 2026

Sincerely,

Michelle Middleton  
Principal

## **Student Dress Expectations**

Bakerview Centre for Learning Student Dress Policy supports equitable educational access and is written in a manner that does not reinforce stereotypes and that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, or body type.

The intent of a dress policy is to set expectations to assist students, staff and parents/guardians in decision-making with respect to clothing. It is not intended to be prescriptive nor punitive, but to provide a level of clarity so that correction or discipline is not required.

The dress policy is intended to incorporate individual preferences for students and their families to dress in the manner they choose. Individual choice is however tampered by a responsibility to recognize that a school is a learning and working environment, and as such, students are expected to dress in a reasonable manner.

Clothing should be comfortable and allow a student to participate safely in physical education, daily activities, and science experiments, etc. Clothing should demonstrate respect for the school community.

Articles of clothing that promote alcohol or drugs, that display offensive language or images, or that encourage sexism, racism or bigotry are not acceptable in our school. Clothing bearing direct or indirect messages or graphics referring to gang culture, sex or pornography, weapons or violence will not be permitted.

The following are the guidelines for school attire:

1. Clothing and accessories cannot pose a safety concern or conceal one's identity.
2. Specific attire may be required for a variety of classroom settings such as PE, labs, etc
3. Clothing must cover undergarments.

When there are differences in perspective, all involved have a duty to seek common understanding in a mutually respectful manner. Ultimately, the school administration has the responsibility to apply the dress policy when necessary. If any person dresses in an inappropriate manner, the student should be advised personally and discreetly.

## Bakerview Parent Advisory Council 2026 / 2027

Dear Parents/Guardians/Caregivers,

Welcome to the 2026/2027 school year at Bakerview Centre for Learning. Like every other public school in British Columbia, Bakerview Center for Learning has a Parent Advisory Council (PAC). The role of the PAC, as outlined in the School Act of British Columbia, is to “*advise the board, principal, and staff of the school, respecting any matter relating to the school*”.

The Bakerview Parent Advisory Council has three scheduled meetings per year - October, January and May. The meetings will be held online via Microsoft Teams.

If you are interested in talking about how our school operates, and feel it is important for parents/guardians/caregivers to be actively involved in the education of the youth they care for, please email [bakerview@abbyschools.ca](mailto:bakerview@abbyschools.ca) and request an invitation link to our online meeting.

*Thank you,*

*Michelle Middleton*

## Use of Personal Digital Device in Schools

### **What is a Personal Digital Device?**

**Personal Digital Devices** can include (but are not limited to): phones, headphones, smartwatches, Airpods, tablets, Ipads, Winbooks, and personal computers

### **Bakerview's Digital Device Policy:**

1. Without the permission of the school administrator/teacher, personal digital devices are not to be operated during regularly scheduled hours of instruction or during any school-sponsored activity, such as an assembly or talk by a guest speaker. This includes our two 10-minute breaks daily (10-10:10 am and 12:50-1:00 pm). Phones may be used at lunchtime or when a student is leaving the school grounds after classes are done for the day.
2. Personal digital devices are to be placed in silent mode during instructional time. Teachers will decide if cell phones are to be placed in a student's backpack or in the class-provided cell phone locker.
3. Personal digital devices are not to be taken into test or examination settings unless students have been given permission to do so by the teacher administering the test or exam.
4. Personal digital devices are not to be used in settings such as washrooms, or private counselling rooms that have the potential to violate a person's reasonable expectation of privacy.
5. Students may keep their phones if they have a medical designation and diagnosed condition that requires them to keep and use their phones for monitoring medical conditions (for example, diabetic glucose monitoring). This will be discussed with the classroom staff. The expectation is that the phone be used for medical monitoring only during instructional time.

### **Students who do not follow the expectations above can expect some or all of the following:**

1. The student will be asked by the classroom staff to put their phone away. This may include being locked in a safe place within the classroom, and it will be returned to the student at lunchtime and/or after school. Phones will remain away for the remainder of instructional time.
2. If a phone does not go away or is repeatedly being brought out and a distraction, the student will be sent to office to turn in phone to an administrator who will keep it for the remainder of the student's instructional day.
3. If a student does not comply, they will be sent home for the remainder of the day.
4. If a student is repeatedly referred to the office for phone use in the classroom, an administrator may require the student to hand in their phone to the office every day for a set period of time, which may increase with each repeated referral.

It is highly encouraged that personal digital devices be kept at home. If students do choose to bring their personal digital devices to school, they will be required to be placed in silent mode and placed in the cell phone locker in each classroom.

**The security and storage of personal digital devices are the sole responsibility of the owner/user. The School / District assumes no responsibility for the safety, security, loss, repair or replacement of personal digital devices.**
