Accessing Student Marks in Gradebook Through The MyEd Student Portal

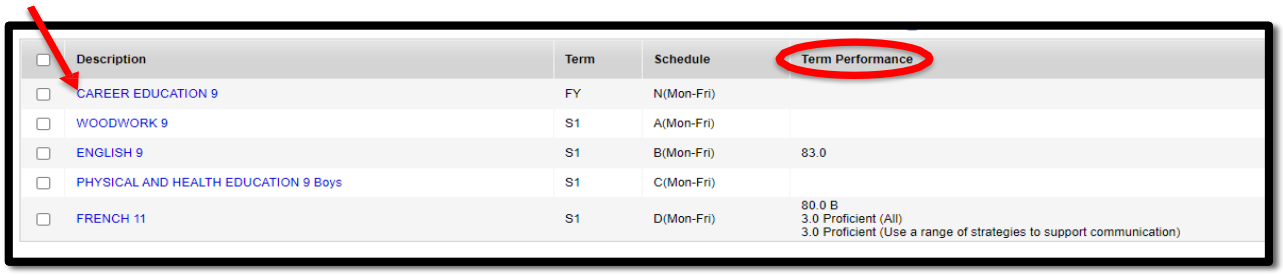

This guide will help students/parents log into the MyEd Student Portal to view student progress in their courses. Note **that MyEd Gradebook is optional for teachers to use to report student progress. While many teachers will be using MyEd Gradebook, some will have already informed you if they have chosen to use another form of gradebook or other means of regularly reporting student progress.** When viewing the gradebook in the student portal, you will find that your teacher may have chosen to display class marks as a percentage, proficiency on a Curricular Competency (the 4- point scale of extending, proficient, developing, and emerging), or a combination of both.

You should already be familiar with the MyEd Student Portal as it is where you look at student report cards. If you are unfamiliar with the Portal, there are instructions on the Bakerview website under "**Parents & Guardians > MyEd BC Portal** ". If your password doesn't work, follow the "**Help, I Forgot my Password**" instructions BEFORE asking for a password reset from the main office.

https://myeducation.gov.bc.ca/aspen/logon.do

When you log on, go to the "Academics" top tab.

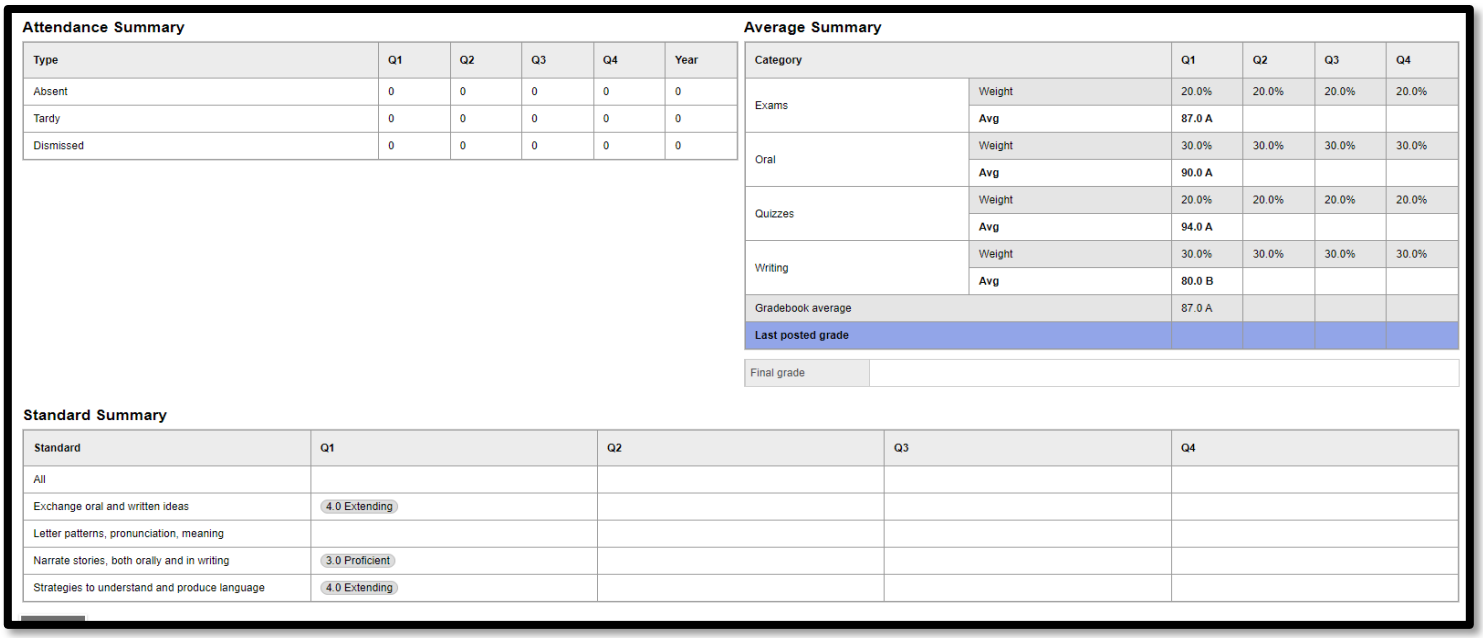

You will see a list of the student's classes with a column for "Term Performance".

Click on the course name to view a summary page with attendance, standards and averages.

Please note that attendance is not currently tracked in this application.
